

June 14, 2005

Hello Jim,

Bob Gress informed me that you were involved in one of the river rescues last week. I want to convey my congratulations to you and your group for what was surely a lifesaving reaction to a very dangerous situation. If you had not been there, the two gentlemen may have had a long wait for help or worse. I'm sure they now realize how credible your warning was.

Well done!! You and your crew deserve a pat on the back.

Val Jansen, KDWP
